

YOUR HOME: THE STORY OF YOUR LIFE

A Special Workshop Hosted by Warwick Grove

SATURDAY, NOVEMBER 6

10:00AM

WARWICK GROVE

NEIGHBORHOOD CENTER

12 CROPSEY STREET, WARWICK, NY

Join Marina Case Alario, Principal Designer of The Red Shutters, a national interior design firm, for this free decorating workshop.

Learn about four iconic styles of interior design – Traditional, Modern, Tribal and Fun – and how to blend each style to create an interior that captures, both physically and emotionally, an individual's unique identity.

Marina will provide examples of how design can reflect an individual's life story – whether displaying artifacts from travels, beloved

antiques, cherished furniture pieces or a specific collection built over a lifetime. In addition, she will share "green decorating" strategies, for example, updating good pieces that one may already own that tell a personal story.

Space is limited! Kindly RSVP to 845-988-5274 to reserve your spot.

About The Red Shutters

The Red Shutters has embodied the utmost taste in interior design since 1950. Originally founded in Highland Park, IL, The Red Shutters' staff and store today is based in Warwick, New York and serves clients everywhere. Visit www.theredshutters.com for more information.
